

TABLETS & CAPSULES

www.tabletsandcapsules.com

March 2017

Volume 15 Number 2

Photo shows examples of tablets and capsules company formulates, manufactures, and packages. Company specializes in solid dosage forms and offers turnkey primary and secondary packaging of tablets, capsules, and powders in blisters, bottles, sachets, stick packs, and vials. It operates four GMP-compliant sites in Montreal and is certified for prescription products, including controlled substances. New serialization hub streamlines compliance with DSCSA. Courtesy of Ropack Pharma Solutions, Montreal, QC, Canada. Tel. 514 353 7000. Website: www.ropack.com.
