

TABLETS & CAPSULES

www.tabletsandcapsules.com

March 2018

Volume 16 Number 2

Cover photo shows the company's low-humidity primary packaging suite, which facilitates the packaging of humidity-sensitive pharmaceuticals by maintaining relative humidity levels as low as 6 percent at 70°F. Turn-key contract packager is located near major third-party logistics and distributors. Site is compliant with the FDA, DEA, and MHRA. Company employs rigorous QA processes and cGMP quality systems and is serialization/aggregation ready. Courtesy of Pharma Packaging Solutions, Clinton, TN. For more information, call 800 533 7744 or visit www.pharmapackagingsolutions.com.
