

# TABLETS & CAPSULES

www.tabletscapsules.com

September 2020  
Volume 18 Number 6

Cover photo shows TPR 200 tablet press for small to medium batches of up to 230,000 tablets per hour. Hygienic, easy-to-clean design allows for fast changeover, and flexible configuration includes options for R&D, containment applications, and bilayer tableting. Courtesy of Syntegon Pharma Technology. For more information, call 763 424 4700 or visit [www.syntegon.com](http://www.syntegon.com).
